Would you take a straight and narrow critical look at
me?

Would you tell me tough love style, put judicial weight
on me?

If you're thinking anything
If you're thinking endlessly
If you're thinking anything
If you're thinkin'

I feel the breeze, you're feathers of an arrow
Out in my yard, feathers of an arrow
I take my aim, you feel me coming close
I take my aim so you feel me coming close

I feel the breeze, you're feathers of an arrow
Out in my yard, feathers of an arrow
I take my aim, you feel me coming close
I take my aim so you feel me coming close

Would you take a calm and tender terminal kind of
care?
Would you touch me, cling and wage an intimid fight
for me?

If you're thinking anything
If you're thinking endlessly
If you're thinking anything
If you're thinkin'

I feel the breeze, you're feathers of an arrow
Out in my yard, feathers of an arrow
I take my aim, you feel me coming close
I take my aim so you feel me coming close

I feel the breeze, you're feathers of an arrow
Out in my yard, feathers of an arrow
I take my aim, you feel me coming close
I take my aim so you feel me coming close

I feel the breeze, you're feathers of an arrow
Out in my yard, feathers of an arrow

I take my aim, you feel me coming close
I take my aim so you feel me coming close

I feel the breeze, you're feathers of an arrow
Out in my yard, feathers of an arrow
I take my aim, you feel me coming close
I take my aim so you feel me coming close

I feel the breeze, you're feathers of an arrow
Out in my yard, feathers of an arrow
I take my aim, you feel me coming close
I take my aim so you feel me coming close
