Build a wall of books
Between us in our bed
Repeat, repeat the words
That I know we both have said

Relax into the need
We get so comfortable
Remember when I was
So strange and likable

I just want back in your head
I just want back in your head
I'm not unfaithful but I'll stray

When I get a little scared
When I get a little scared
When I get a little

When I jerk away
From holding hands with you
I know these habits hurt
Important parts of you

Remember when I was
Sweet and unexplainable
Nothing like this person
Unlovable

I just want back in your head
I just want back in your head
I'm not unfaithful but I'll stray

When I get a little scared
When I get a little scared
When I get a little scared
When I get a little

Run, run, run, run
Run, run, run, run

I just want back in your head
I just want back in your head

I'm not unfaithful but I'll stray

I'm not unfaithful but I'll stray

I'm not unfaithful but I'll stray

I'm not unfaithful but I'll stray
