All I want to get is  
A little bit closer  
All I want to know is  
Can you come a little closer?

Here comes the breath before we get  
A little bit closer  
Here comes the rush before we touch  
Come a little closer

The doors are open  
The wind is really blowing  
The night sky is changing overhead

It's not just all physical  
I'm the type who will get oh so critical  
So let's make things physical  
I won't treat you like you're oh so typical

All you think of lately  
Is getting underneath me  
All I'm dreaming lately  
Is how to get you underneath me

Here comes the heat before we meet  
A little bit closer  
Here comes the spark before the dark  
Come a little closer

The lights turned off and the sun is finally setting  
The night sky is changing overhead

It's not just all physical  
I'm the type who will get oh so critical  
So let's make things physical  
I won't treat you like you're oh so typical

I want you close- I want you  
I won't treat you like you're typical

I want you close- I want you  
I won't treat you like you're typical

Here come the dreams of you and me  
Here come the dreams  
Here come the dreams of you and me  
Here come the dreams

It's not just all physical  
I'm the type who will get oh so critical  
So let's make things physical  
I won't treat you like you're oh so typical

I want you close- I want you  
I won't treat you like you're typical

I want you close- I want you  
I won't treat you like you're typical

I won't treat you like you're typical  
I won't treat you like you're typical

All I want to get is  
A little bit closer  
All I want to know is  
Can you come a little closer?
