What I don't know don't keep me hostage
It's your love that locks me up and
I want you to know that I love the way you make my
heart tear up
So come on come on come on come on
Yeah come on come on come on come on
Don't be so cruel to me
Don't be so cruel to me
Don't promise me anything
I've got everything that I need
What I don't have it can't be purchased
What I need is in your chest
What I've got is good for now
But in the end I won't want less
Come on come on come on come on
Yeah come on come on come on come on
Don't be so cruel to me
Don't be so cruel to me
Don't promise me anything
I've got everything that i need
I need love in a good way
I'm feeling fine
Gotta get away
I need love in a good way
I'm feeling fine
Gotta get away
I need love in a good way
I'm feeling fine
Gotta get away
I need love in a good way
I'm feeling fine
Gotta get away
Come on come on come on come on
Yeah come on come on come on come on
Don't be so cruel to me
Don't be so cruel to me
Don't promise me anything
I've got everything that i need
Don't be cruel
Don't be so cruel
Don't promise me anything
I'm everything that i need
