Don't rob, bad idea
You've been so good
I hear, don't rush

Don't move, bad idea
You've been so still
I'm here for you, don't rush

One way or another
I'll find my way to cover
I sing to find my other
Sing to find my

One way my lovely other
Defy restless cover
You sing to another
Sing to find your

Don't leave, bad idea
You've been so far
So long, don't rush

Don't run, bad idea
You move so fast
I need to rush

One way or another
I'll find my way to cover
I sing to find my other
Sing to find my

One way my lovely other
Hit by restless cover
You sing to another
Sing to find your

One way or another
I'll find my way to cover
I'd love to find my other
Love to find you

One way my lovely other

You'll find restless cover
You've found so many others

One way to erase bad ideas
Well, I won't see you
Once you arrive

One way to escape bad ideas
Well, I won't cry to you
Not that you would mind

One way to erase bad ideas
Well, I won't see you
Once you arrive

One way to escape bad ideas
Well, I won't cry to you
Not that you would mind

One way or another
I'll find my way to cover
I sing to find my other
Sing to find my

One way my lovely other
Hit by restless cover
You sing to another
Sing to find your

One way or another
I'll find my way to cover
I'd love to find my other
Love to find you

One way my lovely other
You'll find restless cover
You've found so many others
