Blow by blow  
I didn't see it coming  
Blow by blow  
Sucker Punched

Rushes in  
Here to stay  
Rushes in  
You are here to stay

What rushes into my heart and my skull  
I can't control  
Think about it  
Feel it in my bones  
What rushes into my heart and my skull  
I can't control

I feel you in my bones  
You're knocking at my windows  
You're slow to letting me go  
And I know this feeling also  
This feeling in my bones

Left hook  
I didn't see it coming  
Left hook  
You've got dead aim

Rushes out  
Run away  
Rushes out  
You always run away

What rushes into my heart and my skull  
I can't control  
Think about it

Feel it in my bones  
What rushes into my heart and my skull  
I can't control

I feel you in my bones  
You're knocking at my windows  
You're slow to letting me go  
And I know this feeling also  
This feeling in my bones

I feel you in my bones  
You're knockin at my windows  
You're slow to letting me go  
And I know this feeling also  
This feeling in my bones

I feel it in my bones  
And then my skull feels (pressure)  
I feel it in my bones (pressure)  
I feel it in my skull  
I feel you in my bones  
You're knocking at my windows  
You're slow to letting me go  
And I know this feeling also  
This feeling in my bones

I take a breath  
Take a breath  
With me blow by blow  
Take a break  
Take a break  
From you you are here to stay  
I take my heart out of my chest  
I just don't need it anymore  
Take my head out of the game  
I just don't need it anymore

I take a breath  
Take a breath  
With me blow by blow  
Take a break  
Take a break  
From you you are here to stay  
I take my heart out of my chest

I just don't need it anymore  
Take my head out of the game  
I just don't need it anymore

I feel you in my bones  
You're knocking at my windows  
You're slow to letting me go  
And I know this feeling also  
This feeling in my bones
