

## Tegan and Sara "Floorplan"

Visit "[Floorplan](#)" on MotoLyrics.com

I want to draw you a floorplan  
Of my head and heart  
I want to give directions  
How for this  
What you'll be looking for  
What you'll be looking for  
I know  
I'll hold this loss in my heart forever  
I know I'll hold, I'll hold  
I know  
I'll hold this loss in my heart forever  
I know I'll hold, I'll hold  
All eyes are on me now  
All eyes are on me now  
I want your lungs to stop working without me  
I think about writing you  
I thought about calling you  
What was I looking for  
What am I looking for  
I know  
I'll hold this pain in my heart forever  
I know I'll hold, I'll hold  
I know

I'll hold this pain in my heart forever  
I know I'll hold, I'll hold  
All eyes are on you now  
All eyes are on you now  
I shouldn't go  
But I can't really help it  
When I feel this pressure  
I shouldn't go  
But I can't really help it  
When I feel this pressure  
All eyes are on me now  
I shouldn't go  
But I can't really help it  
When I feel this pressure  
I shouldn't go  
But I can't really help it  
When I feel this pressure  
I shouldn't go when I feel this building

I shouldn't go when I feel this building  
I shouldn't go but I can't really help it  
When I feel this pressure
