Shoulders of perfection  
Let them drag you straight across  
And tell me have we  
Have we found perfection, are we finally lost?

And I'm staring from a distance  
Why don't you come get a closer look  
I can guarantee that licking the package  
Ain't ever quite as good as

So they're looking for a new face  
With a voice to go along  
I can tell you right now, that ain't my style  
I don't do no sing alongs with my freedom

From the mighty sky to the ground  
Said you've got the freedom, hey  
Walk out if they drag you down  
If they drag you down

Standing on the edge of a crisis  
We decide to raise our own voices  
Consider that the sounds is our own  
And the fact our feet grow up from the ground

That this is where I wanna be, this is who I wanna be  
So they get my voice but they can  
They can never get my soul, yes  
There's a million things about me you will never know

Like they caught me on video  
And yeah, they caught me on radio  
Yeah, they caught me on video, radio stereo

Freedom, yeah, from the mighty sky to the ground  
Said you've got the freedom to walk out  
If they drag you down  
Freedom, if they drag you, if they drag you, if they  
drag you

We're standing on the edge of a crisis  
We decide to raise our own voices

Consider that the sounds is our own  
And the fact our feet grow up from the ground

That this is where I wanna be, this is who I wanna be  
So they get my voice but they can  
They can never get my soul, yes  
There's a million things about me you will never know

Like they caught me on video  
And yeah, they caught me on radio  
Yeah, they caught me on video, radio stereo

Freedom, yeah, from the mighty sky to the ground  
Said you've got the freedom to walk out  
If they drag you  
Freedom, if they drag you, if they drag you, if they  
drag you  
Walk out
