Goodbye
I don't wanna
Feel the need to hear your voice
Goodbye
I don't wanna
Feel the need to see your face

I can't live with all these things I would say
I can't live with all these things that I'd say

Goodbye, goodbye, goodbye, goodbye like the first
time (x2)

You never really knew me, never ever
Never ever saw me
Saw me like they did

You never really loved me, never really
Never really loved me
Loved me like they did

With some time
I might wanna
See the way that you've changed

With some time
I might wanna
See how you've been
What you can replay (or replace?)

I can't stand it
All these things I've let go (x2)

Goodbye, goodbye, goodbye, goodbye like the first
time (x2)

You never really knew me, never ever
Never ever saw me
Saw me like they did

You never really loved me, never really
Never really loved me

Loved me like they did

You coulda told me goodbye (x2)

You let me try

Knowing there was nothing I could do to change you

You coulda warned me

Knowing there was nothing I could do to change you

You never really knew me, never ever

Never ever saw me

Saw me like they did

You never really loved me, never really

Never really loved me

Loved me like they did

Goodbye, goodbye, goodbye, goodbye like the first
time (x2)

You never really knew me, never ever

Never ever saw me

Saw me like they did

You never really loved me, never really

Never really loved me

Loved me like they did
