okay you found me out
beyond without a doubt
your lie is safe with me

a friend I'm sure you are
and in this day so far
fallen hundred seas

hello!
its where I've been so goodbye
goodbye goodbye goodbye
hello!
its you and me so goodbye
goodbye goodbye goodye

Im in the army of
'sell out, shut up, go home'
make your money when you're dead and gone

okay you found me out
beyond without a doubt
your lie is safe with me

between you and me
between you and me
just don't whisper, nothing's going on

okay you found me out
between you and me
I know nothing on this side

hello!
its where i've been so goodbye
goodbye goodbye goodbye
hello!
its you and me so goodbye
goodbye goodbye goodye

Im in the army of
'sell out, shut up, go home'
make your money when you're dead and gone
Im in the army of

'sell out, shut up, go home'
make your money when you're gone

Im in the army of
'sell out, shut up, go home'
make your money when you're gone

she's singing on her own
and on her own she sings
she's found a place to sleep
and she invites me in

nothing more and nothing less
you leave it all and you leave the rest
to me!

its you and me so goodbye
goodbye goodbye goodye
hello!
its you and me so goodbye
goodbye goodbye goodye

Im in the army of
'sell out, shut up, go home'
make your money when you're dead and gone
okay you found me out
beyond without a doubt
your lie is safe with me
