(Verse)

Guilty as charged, you were on my mind,  
Try as I might, I can't seem to lie.  
I can love you back, if you like  
I can hold you back, if you like.

(Pre-Chorus)

So I go back home  
To be by myself  
I try everything I've ever read,  
Desperate, I still can't get you out of my head.

(Chorus)

Cause you're on my mind  
All the time.  
Now you're on my mind  
All the time.

(Verse)

A blessing in disguise, I was on your mind  
Try as you might, you may well soon find  
I am yours, but you can't be mine.  
I am sure you'll always be mine.

(Pre-Chorus)

So I go back home  
To be by myself  
I try everything I've ever read,  
Desperate, I still can't get you out of my head.  
So I stay at home  
Alone with myself.  
I rethink everything I've ever said,  
Desperate, I still can't get you out of my head.

(Chorus)

Cause you're on my mind  
All the time.  
Now you're on my mind  
All the time.

(Bridge)

Crazy, crazy, Iâ€™m crazy about you  
Crazy, crazy, Iâ€™m crazy about you.

(Verse)

Caught in the act, you were on my mind  
Lucky for you, now Iâ€™m on your mind.

(Pre-Chorus)

So I go back home  
To be by myself  
I try everything Iâ€™ve ever read,  
Desperate, I still canâ€™t get you out of my head.

(Chorus)

Cause youâ€™re on my mind  
All the time.  
Now youâ€™re on my mind  
All the time
