Right now feels so windy  
And someday will be ending  
Until I've done all that I can  
All that  
Until I've done all that I can  
All that

One day it'll get easier  
'Cause right now  
I feel so simple  
Until I've done all that I can  
All that  
Until I've done all that I can

And so, I said  
Hello, hello, hello  
I'm right here  
Oh hello, hello, hello

I'm right here  
I'm right here  
Waiting for drinking  
To yesterday's news

I'm sorry, I was late  
I was so blue  
Oh, my head hurts  
From holding your hand

And I'm young  
But it's hard to believe  
That some day  
I will never see you again

And you might not believe this  
But you've changed me so much  
But baby it's so hard leaving you  
And maybe, maybe this was the only  
The only way yeah, yeah

But right now  
I wish I was older

And right now  
You look so simple

Now is not a good time  
Oh no  
Now is not a good time  
Oh no

And so I said  
Hello, hello, hello  
I'm right here, I said  
Hello, hello, hello

I'm right here  
I'm right here  
Waiting for drinking  
To yesterday's news

I'm sorry, I was late  
I was so blue  
Oh, my head hurts  
From holding your hand

And I'm young  
But it's hard to believe  
That some day  
I will never see you again

And you might not believe this  
But you've changed me so much  
But baby, baby  
It's so hard leaving you

And maybe, maybe  
This was the only  
The only way yeah, yeah

But baby, baby  
It's so hard leaving you  
And maybe, maybe  
This was the only  
The only way yeah, yeah

But baby, baby  
It's so hard leaving you  
And maybe, maybe  
This was the only  
The only way yeah, yeah

'Cause someday  
I will never see you again
