(Verse)

I can't say that I'm sorry,
Came so ahead of myself.
I can't say that I'm sorry
For loving you and hating myself.
I've nothing to show you,
I've nothing to hold you down.
It's killing me to walk away.

(Chorus)

How come you don't want me now?
Why don't you wanna weight this up?
How come you always leave me,
Or never take my call, hear me out.
Why don't you wanna win me now?
Why don't you wanna show me off?
Tell me why you're gonna try, gonna try and leave me
here.

(Verse)

I see you by my house, walking with a different girl,
I see you by my house, talking with a different girl.
She's got nothing to show you, she's got nothing to
hold you down.
You're killing me walk away.

(Chorus)

How come you don't want me now?
Why don't you wanna weight this up?
How come you always leave me,
Or never take my call, hear me out.
Why don't you wanna win me now?
Why don't you wanna show me off?
Tell me why you're gonna try, gonna try and leave me
here.

(Bridge)

One day, soon
I won't be the one who waits on you.
So damn soon
I won't be the one who waits on you.

(Chorus)

How come you don't want me now?
Why don't you wanna weight this up?
How come you always leave me,
Or never take my call, hear me out.
Why don't you wanna win me now?
Tell me why you're gonna try, gonna try and leave me
here.

How come you don't want me now?
Why don't you wanna weight this up?
How come you always leave me,
Or never take my call, hear me out.
Why don't you wanna win me now?
Why don't you wanna show me off?
Tell me why you're gonna try, gonna try and leave me
here.

How come you don't want me now?
Why don't you wanna weight this up?
How come you always leave me,
You never take my call, hear me out.
Why don't you wanna win me now?
Why don't you wanna show me off?
Tell me why you're gonna try, gonna try and leave me
here.
