So move, yeah move
So move, yeah move
I've got nowhere to go
I've got nowhere to go

So move, don't move so slow
Don't move so slow
Don't move so slow
Don't move so slow

So move, yeah move
I've got nowhere to go
I've got nowhere to go

So move, don't move so slow
Don't move so slow
Don't move so slow
Don't move so slow

I can't take it, I can't take it
I can't take it, I can't take it
I can, I can

I can't take it, I can't take it
I can't take it, I can't take it
I can, I can, I can, I can
