Does your heart ache,
When you get around me?
Does your heart break,
When you think about me?

Now you wanna say
I was a liar
Led you astray
I won't deny it
I did what they
Thought would be good for me

Now you wanna cry
Call me a cheater
Left you to die
Though I did neither
Thought that it would
That it would be best for me

Do you cry?
Oh, do your worst
Do you topple?
Do your worst

I couldn't be your friend
Even if I tried again
I couldn't be your friend
Try to conceive it
I won't believe it
Even if I tried again
I couldn't be your friend

Does your body shake
When you get around me?
Does your body wake
When you think about me?

Now you wanna say
I was a criminal
Stole you away
That sounds so fictional

I did what they
Thought would be go for me

Do you cry?
Oh, do your worst
Do you topple?
Do your worst

I couldn't be your friend
Even if I tried again
I couldn't be your friend
Try to conceive it
I wont believe it
Even if I tried again
I couldn't be your friend

Now you want to say
You had it all wrong
Now you wanna say
You had me all wrong

Now you want to say
You had it all wrong
Now you wanna say
You had me all wrong

I couldn't be your friend
Even if I tried again
I couldn't be your friend
Try to conceive it
I won't believe it
Even if I tried again
I couldn't be your friend

Try to conceive it
I wont believe it
Even if I tried again
I couldn't be your friend
