(Verse)

Lean these pictures up against the wall
Won't remain in this room too long
I count steps and sockets in the wall
To avoid the sound, of your feet missing in the hall
To avoid the sound, of your feet missing in the hall

(Chorus)

Don't think I didn't deserve what I got
Don't think I didn't deserve what I lost
I run empty till I, I feel nothing inside
I run empty till I, I feel nothing inside, oh,
Don't think I didn't deserve what I got

(Verse)

Think nothing, of mistakes that I've made
All around, change that I can't take
The way I left you hanging every time
You avoid the sound, of my voice coming down the line
You avoid the sound, of my voice coming down the line

(Chorus)

Don't think I didn't deserve what I got
Don't think I didn't deserve what I lost
I run empty till I, I feel nothing inside
I run empty till I, I feel nothing inside, oh,
Don't think I didn't deserve what I got

(Bridge)

We were still so young, wasn't certain of anything
(So young)
(So young)
When you're still so young, can't be certain of
anything
(So young)
Can't be certain of anything when you're young

(Chorus)

Don't think I didn't deserve what I got
Don't think I didn't deserve what I lost
I run empty till I, I feel nothing inside

I run empty till I, I feel nothing inside, oh,
Don't think I didn't deserve what I got

I run empty till I, I feel nothing inside
I run empty till I, I feel nothing inside, oh,
Don't think I didn't deserve what I got
