Do you remember I searched you out?  
How I climbed your city's walls  
Do you remember me as devout?  
How I prayed for your calls  
I stood still  
It's what I did  
Love like ours just never fits

Well, I stuck around  
I did behave,  
Saved you every time.  
I was a fool for love  
I was a fool for love  
I was a fool  
I was a fool

Then you blamed me and blocked me out  
How long did you think I'd last?  
Then you disappeared for weeks to pout  
How many times could I pack?  
But stand still is all I did.  
Love like ours just never fits

Well I stuck around  
I did behave  
I saved you every time  
I was a fool for love  
I was a fool for love  
I was a fool  
I was a fool

(Bridge)  
If you're worried,  
I'm not changed  
Left behind all of my foolish ways  
You best be looking for somebody else  
Without a foolish heart  
A foolish heart

But stand still is all we did  
Love like ours just never fits

Well I stuck around  
I did behave,  
Saved you every time  
I was a fool for love  
I was a fool for love  
I was a fool (I was a fool for love)  
I was a fool (I was a fool for love)
