On a dark plane thoughts of crashing come to me  
And my therapist says this is all right with her  
then it's all right with me  
On a cold afternoon thoughts of crashing come to you  
And the animals take a vote and they decide to take  
me home  
'cause' I've got no more stories  
I guess I'm funny no longer  
I've got a whole new me picked out  
You left me to wonder  
If I burned up all my stuff and I've got to move  
Go out and find things that I like better  
But if I come home with all the same old stuff  
And you leave me to wonder  
So make your move  
Got to take your time  
Got, you've got all the time in the world  
Got, got my love back  
You're insane  
I've got that  
I want my love back  
You're insane  
I've got no more stories  
I guess I'm funny no longer  
You've got a whole new me picked out  
You left me to wonder  
Left me to wonder  
Maybe this is 'cause I'm too tall  
And when I think you can't see my thoughts  
Well see with your heart. not with your head  
See with your heart, not with your  
If it's so funny let's see what you've got  
And I, I think you're so messed up  
And I you're my stomach making trouble again  
Who cares if you're right, I just want to win  
I've got no more stories  
'cause I'm funny no longer  
You had a whole new picked out  
You have a whole new me picked out  
You left me to wonder  
On a dark plane thoughts of crashing come to me  
On a dark plane thoughts of crashing come to me
