

Tegan and Sara "On Directing"

Visit "[On Directing](#)" on MotoLyrics.com

You're directing me
Your eyes focus like a microscope
Because you need
Eyes focused like a microscope

Go steady with me
I know it turns you off when I
I get talking like a teen
I get talking like a teen

You're directing me
You're dressed up, I lose my grip, my focus
Make those eyes at me
I lose my grip, I lose my focus

Go steady with me
I know it turns you off when I
I get talking like a teen
I get talking like a teen

Go steady with me
I know it turns you off when I
I get talking like a teen
I get talking like a teen

You're directing me
Eyes focused like a microscope
Because you need
Eyes focused like a microscope

You're directing me
You're dressed up, I lose my grip, my focus
Make those eyes at me
I lose my grip, I lose my focus

Go steady with me
I know it turns you off when I
I get talking like a teen
I get talking like a teen

Go steady with me
I know it turns you off when I

I get talking like a teen
I get talking like a teen

Go steady with me
I know it turns you off when I
I get talking like a teen
I get talking like a teen

Go steady with me
I know it turns you off when I
I get talking like a teen
I get talking like a teen
