You

In a simple gray coat
In a simple white room

Now you know you know it now and sooo
Now you know you know it now

You

hate the tender hearted
torture song

you

catch a flame to my sentiment
my sentimental tune

Now you know you know it now and sooo
Now you know you know it now

Hard hearted don't worry I'm ready for a fight
Unnerve the nerve
You're nervous
Nervous that I'm right

Hard hearted don't worry I'm ready for a fight
Unnerve the nerve
You're nervous
Nervous that I'm right

Now

with your cause and affection
on my mind
I won't yield throw caution
Into the blaze

Now you know you know it now and sooo
Now you know you know it now

Watch

With a bit of friction
I'll be under your clothes
With a bit of focus
I'll be under your skin

Now you know you know it now and sooo
Now you know you know it now

(2xs)

Hard hearted don't worry I'm ready for a fight
Unnerve the nerve
You're nervous
Nervous that I'm right

Ohhhh

Now you know you know it now and sooo
Now you know you know it now

Ohhhh

Now you know you know it now and sooo
Now you know you know it now
