Remove us from the scene of the crime  
I can't help myself, DETAILS FILL MY MIND  
They roll their eyes AND pull our elbows  
I forget our love was so hopeful

I promise I won't linger long  
I promise I won't push my face up against your clothes  
Or your stupid sheets

I deserve a stay, a second thought  
I put your head on straight, tied my tourniquet  
You want the marrying type, a commitment  
Can't help myself, IF IT'S A FIT IT'LL FIT

I promise I won't linger long  
I promise I won't push my face up against your clothes  
Or your stupid sheets

I promise I won't linger long  
I promise I won't push my face up against your clothes  
Or these stupid sheets

It's a heart attack that you feel,  
It's a heart attack that you feel,  
It's a heart attack that you feel,  
(That you feel, that you feel)  
It's a heart attack that you feel,  
(That you feel, that you feel)  
It's a heart attack that you feel,  
(That you feel, that you feel)  
It's a heart attack that you feel,  
(That you feel, that you feel)

I promise I won't linger long  
I promise I won't push my face up against your clothes  
I won't linger long  
I won't push my face up against your clothes  
Or your stupid sheets

Just give me the key  
I watch your things like I watch your face

It's a heart attack that you feel  
It's a crying shame not to spend the night  
You look your age but you don't act the type  
You don't act the type  
You don't act the type

It's a heart attack that you feel  
(That you feel, that you feel)  
It's a heart attack that you feel,  
(That you feel, that you feel)  
It's a heart attack that you feel,  
(That you feel, that you feel)  
It's a heart attack that you feel,  
(That you feel, that you feel)
