he'll shop another day in other ways since shes wasted
her life away and i
watch her as she leaves it all behind for him
and i promised myself i wouldnt let myself get this far
behind
and i promised myself i wouldnt let you run it all this
time

and i watch you as you lose yourself in the thoughts of
all the things youve
done
and if i could get it all out all the things ive lost all the
things ive done
bad and i

promised myself i wouldnt let you get that way that
time and i
promised myself i wouldnt let you lose yourself this
time

so wutcha gonna do when you wake up tomorrow in
someone elses bed
wutcha gonna do tomorrow when you wake up in
someone elses head

so have another drink itll make you cool itll make you
you
have another drink itll make you cool itll make you you

we dont have fun when were together anymore, only
get together when were bored
we dont have fun when were together anymore all we
get when were together is
more fucking bored

and i watch my head fall in your hands and i wonder
where have i been all this
time
and i watch my thoughts fall in your dreams and i
wonder where have you been
all this time and i

so wutcha gonna do when you wake up tomorrow in
someone elses bed
wutcha gonna do tomorrow when you wake up in
someone elses head

so have another drink itll make you cool itll make you
you
have another drink itll make you cool itll make you you

we dont have fun when were together anymore all we
get when were together is
more fucking bored
we dont have fun when were together anymore all we
get when were together is
more bored

so have another drink itll make you cool itll make you
you

have another drink i bet it makes you look like a fool
your so cool your so
cool your so cool

so have another drink i bet it makes you look like a fool
