Climbed up on the rainbow
Just to see if I'd fall off
I'm a frosted lemon coward
And I don't know how
No don't know to hold you
Without shaking
No I'm not aware of how
I could possibly love you
Without aching
Yes I give you everything
Yes I give you anything
I gave you everything
Gotta watch myself
I've gotta love myself
And take care
And so keep the light on before
Ya hop into bed
Cos, baby, this is the last
Honest look I'll ever give
I saved up all my sunshine
Just to see you more clear
I'm a little short on solar
And I haven't given in
No I'm going to hold you anyway
And I'll do it without shaking
Yes I'll love you always
And I'll do it without aching
Yes I'd give you anything
Yes I'd give you anything

I gave you everything
Gotta watch myself
I've gotta love myself
And take care
And so keep the light on before
Ya hop into bed
Cos, baby, this is the last
Honest look I'll ever give
I give you everything
I give you anything
I gave you everything
Gotta watch my self

I've gotta love myself
And take care
Yeah
Gave you
I gave you
I gave you everything
So I've gotta watch myself
And love myself
And take care
This is your last look
This is your last look
This is your last look
Yeah this is your last look
This is your last look
This is your last look
And so keep the light on before
Ya hop into bed
Cos, baby, this is the last
Honest look I'll ever give
