Hot inside like a middle school kid
Flip the screen of the tube instead
Horror films in black and white
Pull the shades from day to night

I knew I was
Looking for thrills
I lose myself
Looking for thrills
Repeat x1

My mind is full of video tape
Hit the streets so hard
Take your body in the night
Repeat x1

When the moon comes out, I know where I wanna be
Repeat x1

Run the scene like a million times
Spinning out as the tension climbs
Horror films in black and white
Pull the shades from day to night

I knew I was
Looking for thrills
I lose myself
Looking for thrills
Repeat x1

My mind is full of video tape
Hit the streets so hard
Take your body in the night (Take your mind)
Repeat x1

When the moon comes out, I know where I wanna be
Repeat x1

Run the scene like a million times
Spinning out as the tension climbs
Horror films in black and white
Pull the shades from day to night

I knew I was looking for thrills (Hot inside like a middle school kid)
I lose myself, looking for thrills (Flip the screen of the tube instead)
I knew I was looking for thrills (Horror films in black and white)
I lose myself,
Looking for thrills

My mind is full of video tape
Hit the streets so hard
Take your body in the night (Take your mind)
Repeat x3

When the moon comes out, I know where I wanna be
Repeat x3

My mind is full of video
Repeat x3

I lose myself (My mind is full of video)
Repeat x1

I lose myself
Repeat x1
