"Wrists"

Oh my wrist's so weak but if I could lift your body
Out of a crash of the waves that have battled to me
Working too hard gets me acting like a ?
So before you tell me you're not worth the worry, hurry.

Hurry, hurry, hurry
I like to hurry when I'm on you
Hurry, hurry, hurry

Make me go without a word,
Gets so crazy when you shut up.
Wake up in a panic, room is dark, you know this body.
Could be this way with almost just anybody,
So pull me next to the window, pull me next to the light.

Hurry, hurry, hurry
I like to hurry when I'm on you
Hurry, hurry, hurry

Don't judge a book by the size of it's wrist.
Hurry, hurry
Are you undecided?
Hurry, hurry, hurry

Don't judge a book by the size of it's wrist.
Hurry, hurry
Are you undecided?
Hurry, hurry

I know my ego's weak so thought if I could lift your
body,
And wake up out of air, the night's too short, you're on
to me.
Why am I always acting timid and too careful?
Please, before I tell you I'm not worth the worry, hurry.

Hurry, hurry, hurry
I like to hurry when I'm on you
Hurry, hurry, hurry

Oh my wrist's are weak, I carry weight like a shadow.
So pull me next to the window, pull me next to the light.

Hurry, hurry, hurry
I like to hurry when I'm on you
Hurry, hurry, hurry

Don't judge a book by the size of it's wrist
Hurry hurry
Are you undecided?
Hurry, hurry, hurry

Don't judge a book by the size of it's wrist.
Hurry hurry
Are you undecided?
Hurry hurry hurry
Are you undecided?
Hurry hurry
Are you undecided?
hurry, hurry

Don't judge a book by the size of it's wrist
Are you undecided?
Hurry hurry
Don't judge a book by the size of it's wrist
Are you undecided?
Hurry, hurry

Hurry, hurry, hurry.
