Don't you forget
When I need a little inspiration
Gets me through where I've been
I've got
An army escorting you
So don't give me one more reason to
And we all need
Somebody to love
To give a little and receive
Well it aint so tough
So show me another road of mine that I haven't seen
And I've got my own
And it's waiting for me
I need you
I need your love
I need you
I need your love
I need you
I need your love
I need you
I need your
So don't you
Forget when I need a little inspiration
Gets me through where I've been
I've got an army escorting us on
So don't give us one more reason to
I need you
I need your love
Well I need you
I need your love
I need you
I need your love
I need you
Well all I need is your love
