Here, we are, again
Baby can't you see, we can't go on
Like this, whenever
I guess friends don't mean friends forever
If you (If you), want this (want this)
You better know cause you really got something
I know (I know), you'll miss
Every boy begging you for one last kiss

Oh oh
I'm sorry if I stole your girl
Oh oh
I'm sorry if she likes me more than
She ever liked you
She never liked you
I'm sorry, I'm sorry
I'm sorry if I stole your girl

We (we), we let go, let go when
The car starts spinning again and again
If you(if you), want this (want this)
I guess you've got something I can't resist

Oh oh
I'm sorry if I stole your girl
Oh oh
I'm sorry if she likes me more than
She ever liked you
She never liked you
I'm sorry, I'm sorry
I'm sorry if I stole your girl

(x2)
On the bed
On the floor
In the other room he's wondering where you are
So lock the door
And close your eyes
I guess now it's time

(x2)

Oh, oh
I'm sorry if I stole your girl
Oh, oh
I'm sorry if she likes me more than
She ever liked you
She never liked you
I'm sorry, I'm sorry
I'm sorry if I stole your girl

(x2)
Oh oh
Oh oh
I'm sorry if I stole your girl
