I woke up sweating to a sinking sun
The front doors open and the TVs on
And I still can't remember

So tell me where we were
And what we did last night
Were there really fireworks up in the sky?
Does it even matter?

Another suicide sunday
Another way to go nowhere (nowhere)
Another day to do nothing
I'm your millennial nightmare

Another suicide sunday
Another reason we don't care (don't care)
You know we're doing it our way
Another suicide Sunday

How many days in a row can I wear these clothes?
I hear the phone ringing, think I let it go
I don't wanna face it

I wish I had a girl to keep me occupied.
'Cause I don't even have the energy to go outside
Might as well just make it

Another suicide Sunday
Another way to go nowhere (nowhere)
Another day to do nothing
I'm your millennial nightmare

Another suicide Sunday
Another reason we don't care (don't care)
You know we're doing it our way
Another suicide Sunday

Don't need to be so condescending
To the depths that I'm descending
I'm not asking you for anything
For anything at all

Na Na Na Na...

Another suicide Sunday
Another way to go nowhere (nowhere)
Another day to do nothing
I'm your millennial nightmare

Another suicide Sunday
Another reason we don't care (don't care)
You know we're doing it our way
Another suicide Sunday [x2]

Another way to go nowhere (nowhere)
Another way to do nothing
I'm your millennial nightmare

Another suicide Sunday
Another reason we don't care (don't care)
You know we're doing it our way
Another suicide Sunday!
