Why you calling me again  
You trying to act all innocent  
I ripped yoru pictures all to shreds  
You said that it was over  
You said that it was over  
I can't unforget you  
If I tried  
I threw it all away  
It's too late  
I can't let you back inside  
Not this time  
You walked out and you left me  
So what was I supposed to do  
Can't unforget you  
Goodbye goobbye goobye  
Can't unforget you  
Goodbye  
Don't wanna lead you on  
There was a time when you were all I ever wanted  
Until now the windows close forever  
And I've finally got over  
Yeah I've finally got over  
I can't unforget you if I tried  
I threw it all away  
I can't let you back inside  
Not this time  
You walked out and you left me  
So what awas I supposed to do  
Cna't unforget you  
Goodbye goobye goobye  
Your feeling desperate  
You want me to take you back  
Noo  
Don't think I'll fall for it  
You only want what you can't have  
No no no  
I can't unforget you if I tried  
I threw all away  
It's too late  
I can't let you back inside  
Not this time

You walked out and you left me  
So what was I supposed to do  
Can't unforget you  
Goodbye goobye goobye  
Can't unforget you  
Goodbye goodbye goodbye  
Unforget you  
Goodbye
