Oh oh oh
Oh oh oh
Oh oh oh
Oh oh oh oh

I promised myself
That I wouldn't deal with you
For a while
But you've been
Tearing my brain
And I can't see through the fact
That you won't be more than an act

It must be so damn easy to be you
It must be so damn easy to be you
With that pretty face I look into
It must be so damn easy to be you

Oh oh oh
Oh oh oh
Oh oh oh
Oh oh oh oh

So I'm not in the right
To judge you
Oh but I can despise you
Take a look around and see
Oh there is absolutely more to it
Than that

It must be so damn easy to be you
It must be so damn easy to be you
With that pretty face I look into
It must be so damn easy to be you

So damn easy to be you

So damn easy to be you
It must be so damn easy to be you
With that pretty face I look into
It must be so damn awful to be you
