In between the lines, there's a lot of obscurity.
I'm not inclined to resign to maturity
If it's all right, then you're all wrong
But why bounce around to the same down song?

You'd rather run when you can crawl

I know you know, That I'm not telling the truth.
I know you know, They just don't have any proof.

Embrace the deception, learn how to bend
Your worst inhibitions tend to psych you out in the end

I know you know
I know you know
I know you know
I know you know
