50 Cent:

I don't know what you heard about me
But a bitch can't get a dollar out of me
No Cadillac, no perms you can't see
That I'm a motherfucking P-I-M-P

50 Cent:

Now shorty she in da club, she's dancing for dollars
She got a thing for that Gucci, that Fendi, that Prada
That BCBG, Burberry, Dolce & Gabbana
She's feeding fools fantasies they pay her cuz they
want her

I spit a little G man and my game got her
A hour later had her ass up in the Ramada
Them trick niggas in they ear saying they think about
her

I got the bitch by the bar trying to get a drink up out her
She like my style, she like my smile, she like the way I
talk

She from the country, think she like me cuz I'm from
New York

I aint that nigga trying to holla cuz I want some head
I'm that nigga trying to holla cuz I want some bread
I could care less how she perform while she in the bed
Bitch hit that track catch a date and come and play the
kid

Look baby this is simple you cant see, you fucking me
you fucking with a P-I-M-P
