See I've been tryin' to live this life
With no success 'cause I will die
You've heard this one too many times
But I have to say it anyhow

She's standing right there by my house
Armed she's going to take me out
One shot for every wrong I've done
I'll be hard to recognize

I want to show you how I
Feel good in every moment
I have to get that through to you
It's up to you to tell if
I'm saying things that you can
Believe and make your final call

Shotgun sister
Waiting for me
Shotgun sister
Please let me live
I would like for you to hear
That we are happy now

I am convincing like a chair
When I say I feel better
She looks at me like I'm not there
I'm waving my hands in the air

I want to show you how I
Feel good in every moment
I have to get that through to you
It's up to you to tell if
I'm saying things that you can
Believe and make your final call

Shotgun sister
Waiting for me
Shotgun sister
Please let me live
I would like for you to hear

That we are happy now
