I, hate the rain and sunny weather,  
and I, hate beach and mountains too;  
(and) I don't like a thing about the city, no, no,  
and I, I, I, hate the countryside too!

And I, hate everything about you!  
...everything about you!

I, don't like a thing about your mother,  
and I, I hate your daddy's guts too,  
I don't like a thing about your sister,  
'cause I think sex is overrated too.

#### **CHORUS**

and I, get sick when I'm around, I, can't stand to be  
around,  
I, hate everything about you!  
everything about you, everything about you, everything  
about you!

#### **BRIDGE**

Some say I've got a bad attitude,  
but that don't change the way I feel about you,  
and if you think this might be bringing me down,  
look again 'cause I ain't wearing no frown!

#### **SOLO**

I don't really care about your sister  
Fuck the little bitch 'cause I already kissed her  
One thing that I did to your lady  
I put her on the bed and she didn't say maybe  
I know you know everybody knows  
the way it comes, the way it's gonna go  
You think it's sad,  
well that's too bad,  
'Cause I'm havin'  
A ball hatin'  
Every little thing about you!

Everything about you, everything about  
I get sick when I'm around  
I can't stand to be around  
I hate everything about you
