The ending
That peace could grow inside of you
In spite of me
Humanity
I hope you're out there somewhere

Right now I'm all alone
I feel my time has come
Embrace the ending
I cannot take this pain
I cannot take this shame

Save us from ourselves
Welcome the way that we
Embrace the ending
We all fool ourselves
When we share the wealth
Welcome the way that we embrace
The ending

To disagree with me
Used to be
All that I wanted you to see
All that I needed you to be
Does anyone care
To disagree with me
Admit defeat we bleed
In disbelief
I hear the whole world

We all fool ourselves
Welcome the way that we embrace the ending (x2)
We all fool ourselves

And it's all in spite of me
Humanity
I hope you out there somewhere
All alone I hear the whole world
And it's all I ever wanted to believe

Humanity

Humanity I hope your out there somewhere
Out there somewhere, I hope your out there
somewhere
Does anyone care?
Humanity I hope your out there somewhere
Out there somewhere (x3)
