Mushroom Head - Flattened

An Early Incarnation, Of A Bad Day I Got Up On The
Wrong Side
Again The First Hours Crawl Emotional Starvation, We
Throw The
Words Away Don't Wanna Swallow My Pride Again The
Worst Waste Of
All I Think I've Found My Way In, I Found My Way Out For
Every
time That You Live Your Life To Please There's Always
That Trace
Of Doubt An Early Incarnation, An Early Incarnation Of A
Bad Day,
Of A Bad Day I Got Up On The Wrong Side Again I Got
Up On The
Wrong Side Again The Worst Waste Of All The First
Hours Crawl If
I Could Only Erase, This Failure In My Head One Day If I
Could
Just Face Up To This Put The Past To Rest Live Your Life
To
Please Live Your Life To Please Live Your Life To Please
There's
Always That Trace Of Doubt An Early Incarnation Of A
Bad Day I
Got Up On The Wrong Side Again The First Hours Crawl
The First
Hours Crawl.
