Sun Doesn't Rise

thanks to Julie James for submitting the lyrics

Some kind of eminence,
Some kind of reason,
Why I can't find a way to be in my life..
(So I ridden this dying day,
If I could only find a way for my escape,
I find it hard to concentrate with all my best mistakes..)
To be in my life...
(I can feel my fate...
Come on, Come on, Come on,
I think I see my fate falling on the final,
I may lose my mind but who gives a f*ck,
Damaged in a hallway,
Lost in a hallway,
Distant head lost,
Just live my way..)

Chorus:

Sun doesn't rise at all,
Who knows how far I'll fall,
Sun doesn't rise at all,
Who knows how far I'll fall

With eyes wide open
(Come on, Come on, Come on,
I think I see my fate)
Walk and watch my world evolve
(Lost in a hallway, I think I see my fate)
Nothing left to die for
(Come on, Come on, Come on,
I think I see my fate)
What's inside can make me crawl
(I think I see my fate)
(Both) Make me drop down on my knees,
(Both) Break me down until I question me,
(Both) Darkness can destroy my drive

Chorus:

Sun doesn't rise at all,

Who knows how far I'll fall,
Sun doesn't rise at all,
Welcome my downfall

(Sun doesn't rise at all)

(Somewhere in this dieing day,
Yes I've had my great escape,
I find it hard to concentrate,
While you can take control of,
Found to empty all I gave up for you,
Makes me want to break,
Around the corner there's a near rim)

(I can feel my fate...
Come on, Come on, Come on,
I think I see my fate falling on the final,
I may lose my mind but who gives a f*ck,
Damaged in a hallway,
Lost in a hallway,
Distant head lost,
Just live my way..)

Chorus:
Sun doesn't rise at all,
Who knows how far I'll fall,
Sun doesn't rise at all,
Who knows how far I'll fall

(I can feel my fate,
Carried all my crime,
Damaged in a hallway,
Lost in a hallway,
Just live my way..)Mushroomhead Lyrics Index
