Well you say
Thay you're lonely
But by now
If you knew me
Then you'd turn around
Go back where you come from
Cause you know this aint love that we got
In and out of our heads
You're a fool
You're a fool for my promises

Hey hey hey hey hey hey hey
Hey hey hey hey hey hey hey
Oh, you're gettin under my skin
Oh, between me and friends life again

If I'm just usin
Some love to get through this
Then you've already won
And maybe you'll be my baby
When the day is done
And after you take me up and down
And lose me and use me again
If you want me I will be
At the bottom of your busses

Hey hey hey hey hey hey hey
Hey hey hey hey hey hey hey
Oh, you're gettin under my skin
Oh, between me and friends life again

Hey hey hey hey hey hey hey
Hey hey hey hey hey hey hey
Oh, you're gettin under my skin
Oh, between me and friends life again
