I wanna call the stars down from the sky
I wanna live a day that never dies
I wanna change the world only for you
all the impossible I wanna do

Chorus:

And baby everytime you touch me I become a hero
I'll make you safe no matter where you are
I bring you everthing you ask for nothing is above me
I 'm shining like a candle in the dark
when you tell me that you love me

I wanna make you see just what I was show you the
loneliness and what it does you walked into my life
to stop my tears everything's easy now I have you here

Chorus...

In a world without you I will always hunger
all i need is your love to make me stronger

Everytime you touch me i become a hero
I'll make you safe no matter where you are
I bring you everything you ask for nothing is
above me I 'm shining like a candle in the dark'
When you tell me that you love me
