All that i know is i'm breathing now.

I want to change the world...instead i sleep.

I want to believe in more than you and me.

But all that i know is i'm breathing.

All i can do is keep breathing.

All we can do is keep breathing now.

All that i know is i'm breathing.

All i can do is keep breathing.

All we can do is keep breathing now.

All we can do is keep breathing

All we can do is keep breathing

All we can do is keep breathing

All we can do is keep breathing.

All we can do is keep breathing now.
