Sometimes, some crimes
Go slipping through the cracks
But these two
Gumshoes
Are picking up the slack

There's no case too big, no case too small
When you need help just call...

Chi-chi-chi-chip and Dale (Rescue Rangers)
Chi-chi-chi-chip and Dale (When there's danger)

No no it never fails once they're involved
Somehow whatever's wrong gets solved

Chi-chi-chi-chip and Dale (Rescue Rangers)
Chi-chi-chi-chip and Dale (When there's danger)

No no it fails they'll takes the clues
And find the where's and why's and who's

Chi-chi-chi-chip and Dale (Rescue Rangers)
Chi-chi-chi-chip and Dale (When there's danger)

Chi-chi-chi-chip and Dale!
