(Verlaine)

Willi told me...

I have some wishes, you could say,
Sometimes I think to wish them all the way
Don't get me wrong, Sweetheart,
I think this world is grand
But certain things just don't pay.

No glamour for Willi

She says that's fine

It's not her way

It's not her line

No glamour for Willi

She says that's fine

So fine

So fine

So fine

I think to buy her something cool

She says, "Don't spend your cash on all that trash,
Don't be a fool.

My preferences, My Dear,

Are mostly half price,

A four-leaf clover

Might be nice."

No glamour for Willi

She says that's fine

It's not her way

It's not her line

No glamour for Willi

She's so fine

So fine

So fine

So fine

Willi be my love...

No glamour for Willi

She says that's fine

It's not her way

It's not her line

No glamour for Willi

She says that's fine

So fine

So fine

So fine

No glamour for Willi
She says that's fine
It's not her way
It's not her line
No glamour for Willi
She says that's fine
So fine
So fine
So fine
