they're pinky and the brain
pinky and the brain
one is a genius
the other's insane
they're laboratory mice
with genius concise.
they're pinky
they're pinky and the brain brain brain brain
brain brain brain brain
before each night is done
their plan will be unfurled
by the dawning of the sun
to take over the world
they're pinky and the brain
pinky and the brain
one is a genius
the other's insane
they're pinky,
they're pinky and the brain brain brain brain
brain brain brain brain
