Shane

I want to know

Sisters rejoice in a B-minor chord,

With wildly impassioned delight

Rapture is mine now as I behold

All turning holy and bright

So bright.

She gives me all the love

Why do I not hear my name?

She gives me all the love

Maybe I don't understand.

Shane

I want to know.

By light celestial

Sweet burning sweet burning sweet

Blest now am I to be taken alive

A wonder complete

Complete.

She gives me all the love

Why do I not hear my name?

She gives me all the love

Maybe I don't understand.

Shane

Sisters

With wildly impassioned delight

Rapture is mine now as I behold

All turning holy and bright

So bright.

She gives me all the love

Why do I not hear my name?

She gives me all the love

Maybe I don't understand.

Shane

I want to know.

I want to know.

I want to know.

I want to know.

I want to know.

I want to know.
