Charlotte

I pray you'll be our eyes

And watch us where we go

And help us to be wise

In times when we don't know

Let this be our prayer

As we go our way

Lead us to a place

Guide us with your grace

To a place where we'll be safe

Josh

La luce che to dai

Charlotte

I pray we'll find your light

Simbolo di pace e di fraternità

Translation:

The light that you give us

Will stay in our hearts

Reminding us

That in my prayer

You are an everlasting star

There's so much faith

We dream of a world with no more violence

A world of justice and hope

Grasp your neighbors hand

As a symbol of peace and brotherhood

The strength that you give us

Is the wish

That everyone may find love

In and around himself

And the faith that

You've lit inside us

I feel will save us
