To Where You Are

Who can say for certain

Maybe you're still here

I feel you all around me

Your memory's so clear

Deep in the stillness

I can hear you speak

You're still an inspiration

Can it be

That you are my

Forever love

And you are watching over me

From up above.

Fly me up to where you are

Beyond the distant star

I wish upon tonight

To see you smile

If only for a while

To know you're there

A breath away's not far to where you are.

I can't be sleeping

Here inside my dream
And isn't faith believing
All powers can't be seen
As my heart holds you
Just one beat away
I cherish all you gave me
Every day
Cause you are my
Forever love
Watching me
From up above
And I believe
That angels breathe
And that love will live on
And never leave
Fly me up to where you are
Beyond the distant star
I wish upon tonight to see you smile
If only for a while to know you're there
A breath away not far to where you are
