Doctor I haven't been able to paint
For two weeks now and I'm feeling faint
Is there anything I can do?
Is there anything you can do?

I try and concentrate but my body aches
And my head goes round and my hands begin to shake
Is there anything I can do?
Is there anything you can do?

Perhaps I could have some little blue pills
Like you gave me when I was ill
Oh I hope you can stop
This feeling that I've got
Please help me
Please help me

Doctor I haven't been able to sing
For three weeks now and I feel poorly
Is there anything I can do?
Is there anything you can do?
I get on the stage and I see the crowd

And suddenly everything's twice as loud
Anything you can do?
Anything you can do?

Perhaps I could have some little blue pills
Like you gave me when I was ill
Oh I hope you can stop
This feeling that I've got
Please help me
Please help me

My heads going round and round
