Do you know what they're saying about me now?  
Have you heard what they're saying about me now?  
I know they laugh at me, call me a fool  
Maybe I'm not as cool as I once was

They can't hurt me now  
I've heard it all before  
And anyway I'm feeling better now  
Oh am I blue  
Oh is it true

The world comes tumbling down like a dream  
Oh am I sad  
Oh am I blue

Can you see that I've been crying  
But there's no more tears for crying  
So understand the things I say  
You can't hurt me anyway

Do you know what they're saying about me now?  
Do you know what they're saying about me now?

Yes I've had better years  
And I'm all cried out of tears  
I was naive when I was young  
But now maybe I'm wise

And everytime I've got it good  
I'm scared that I might have it bad

And every time I feel so good  
I feel guilty and I feel I'm better off when sad

Look at me now  
Am I going down?

And I'm wearing (...) frown  
Look at me now  
Do I look as if I'm down

And I've almost given up trying  
Cause there's no more tears for crying  
Do you understand the way I am?

Do you know what they're saying about me now?  
Do you know what they're saying about me now?
