Games for boys
Society teaches you a new game each day
Games for boys
Games your mother wouldn't like you to play

Action man for the little boy
A bow and arrow and a Tonka toy
Sindy doll for the little girl
A rocking horse and a string of pearls

Little girls help with the washing up
Mummy does the dishes, Lucinda does the cups
Jason and Wayne are out in the rain
Daddy's washing his car again

Games for boys
Society teaches you a new game each day
Games for boys
Games your mother wouldn't like you to play
Wouldn't it be fun if we all swapped clothes?
Everyone except the adults would know
All the boys come out to play
And frighten all the girls away

Action man for the little boy
A bow and arrow and a Tonka toy
Sindy doll for the little girl
A rocking horse and a string of pearls

Games for boys
Society teaches you a new game each day
Games for boys
Games your mother wouldn't like you to play
