It's so sad to wave you goodbye  
So say you won't cry when I'm gone  
And I promise you I won't be long  
Don't be scared to look outside the crowd  
To shout your name out loud  
And you'll find you didn't really leave much behind  
Girl, ever since I've known you  
I've known that you were somebody good  
Now it's goodbye  
Say you won't cry when I'm gone

Goodbye  
Groovy goodbye  
Say you won't cry when I'm gone  
And I promise you I won't be long  
Well girl, ever since I've known you  
I've known that you were somebody good  
Now it's goodbye  
Groovy don't cry when I'm gone

Goodbye  
Groovy goodbye  
Say you won't cry
